MEMORANDUM FOR: Deputy Director for Operations

FROM : Special Assistant to the Director for Interdepartmental Affairs

SUBJECT : Additional Preparations for DCI Testimony on Covert Action

REFERENCE : SA/DCI/IA Memo to DDO, dated 3 March 1982

John -

1. In addition to the material requested in the referenced memo of last week, the Director has asked that you provide him a roundup memorandum on Soviet active measures worldwide to demonstrate what it is we are up against. He recalls that [] produced at some point in the past a memorandum on Soviet propaganda and active measures which perhaps could serve as the basis for responding to this query.

2. I realize that you may already have this material in the works, but this is a specific point that the Director mentioned this morning.
